Aluminium Standard 2 Drawer fitted with an optional ORS Fridge Slide and ARB 47L Fridge.

Notice how far our Fridge Slide extends. We really pride ourselves on manufacturing a quiet rattle free slide with an over extension runner.

Standard 2 Drawer system with drawers open at full extension allow easy access to pack all of your gear.

The Waeco CF-50 Fridge is perfectly suited on top of this drawer system. With its sideways opening lid, it makes for a user friendly operation.

Centre hatch cover allows easy access to the spare tyre winndown mechanism. It is also a handy place to store tools and spares.

Side access wing panels on both sides are standard with all ORS drawers. It is still really simple to get to the jack when needed.
