Actual Drawer Sizes – Internal Compare our INTERNAL sizes to our competitors. You'll be amazed!

220 drawer	465W x 1000L x 205H	(used in Std 2 drawer option)
220 drawer	465W x 1250L x 205H	(used in Long 2 drawer option)
280 drawer	500W x 1000L & 1250L x 265H	(Deep drawer used in “Fridgepack” options)
200 drawer	500W x 1000L & 1250L x 185H	(Medium drawer used in “Fridgepack” options)
150 drawer	500W x 1000L & 1250L x 135H	(Shallow drawer used in “Fridgepack” options)

“Long 2 Drawer Aluminium”. There are wing panels on the side of each drawer that lift up to allow access to the storage area behind the wheel arch.

Huge internal drawer space measuring 465mm x 1250mm x 205mm (W x L x H).

“Fridgepack 1 Medium” (FP1 Med) suit Engel 40, Waeco CF-50, ARB 47.

“70ltr Stainless Steel Water Tank” is also fitted in here between the fridge house and the header board with a pump and rear tap setup.

A Single Drawer fitted over to one side still allows larger items to be placed into the tray on the other side.

We use high quality ball bearing runners on all of our drawer and fridge slides. It makes for an effortless and rattle free operation.

“Custom Long 3 Drawer System”. This particular system is all fixed together as one unit, but the top drawer can be made as a removable item if required.

“Galvanised long 2 Drawer”

“Standard 2 Drawer” with a removable FP3 system fitted as an extra.

Notice the awesome side access you gain with the huge lift up side windows in the “Avenger Workstyle Canopy”. We can supply and fit these to most current model dualcab utes.

Other options fitted to this system include a 70ltr stainless steel water tank, rear pump and tap setup, slide out free standing traveler table and a laminated tailgate table.

Custom single drawer system with optional stainless steel water tank, rear pump and tap setup, laminated tailgate table and stainless steel eye bolts to tie to.
