"Fridgepack 3 Drawer" (FP3) fitted with an optional pullout "Traveller Table", full height "Ausguard" cargo barrier and an ARB 47litre fridge.

Same again but with the addition of a "Drawer Top Table" setup. A handy item to have for that quick cuppa stop.

We use high quality ball bearing runners on all of our drawers and fridge slides. It makes for an effortless and rattle free operation.

Our "Traveller Table" is a handy item to have around the campsite. It is free standing and each leg can be adjusted independently. Makes for an easy setup on uneven ground.

"Fridge 1 Medium" (FP1M) custom made to suit a SWB model.

Look how far our drawers extend out of from the vehicle. Another reason that makes our drawers so user friendly.

“Aluminium Standard 2 Drawer” with an optional full height “Ausguard” cargo barrier and a “Cargo Barrier Storage Shelf” fitted.

Optional “Drawer Top Table” rest’s in side the drawer, on top of your cargo and simply lifts and spins to create usable bench space.

Optional “Lift Out Hatch Covers” makes it easy to access the storage bin underneath the floor. Simply lift the lid and slide the drawer open to reach through to the space underneath.

“Aluminium Standard 2 Drawer” with optional “Stainless Eye Bolts” to tie your load down. “ORS Fridge Slide” and a custom stainless steel drawer top table also fitted.

ORS “Storage Platform” with an optional “Fridge Slide” and “Fridge House”. These create easy access to your under floor storage bin without the need to unload your fridge or extra cargo.

“Storage Platforms” are great for anyone that requires extra storage space to carry things like, fridges, esky’s, golf clubs or general camping gear.
